Student name covered to protect privacy

One of my passions is operating construction equipment and flying drones

The career I would want to go into is earth works for construction / anything.

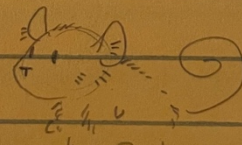

Student name covered to protect privacy

Hunting, Fishing, motorbike mechanics in spare time as well as fabrication tWD's camping weekends FTB's

Student name covered to protect privacy

1. I've had a recent obsession with rats, sadly I can't have any because of my cat.
2. I sometimes play the harp.
3. I play video games.
4. I like to read and draw a lot.

A career I'd like would have been to be a marine biologist, although it's unlikely with how competitive the sciences are.
